Subject: 70F/7LB Step One reports redo.

Richard,

Andy is going to remove the current 70F/7LB tally & duplicate reports and reposted based on our conversation. The VIN/Country code list reflects the records that need to make it into the mail file. Any "input" records that do not match will be dropped. The revised tally and duplicate report will reflect ONLY the VIN/Country list records.

This should be posted later today for your review.
